If the technician determines that repairs must be made off-site, the damaged Furniture will be removed and returned at no cost to You. With or without a technician visit, We may elect to replace the damaged part or area of the damaged Furniture. If the stain or damaged part or area cannot be repaired or replaced, or if a part is not available, We will authorize replacement of the damaged piece of Furniture. You may select a replacement piece of furniture at a price equal to or less than that of the damaged Furniture. We will not replace or otherwise service matching pieces of Furniture that are not damaged and are not responsible for, and will take no action to correct, dye lot or texture variations arising from service or replacement of a part of Furniture or replacement of an entire piece of Furniture.
